*Westphall Remodeling*

*Dear Brad,*

*Bob and I are so pleased with the wonderful job you did in remodeling the small kitchen of our San Antonio townhouse. It did wonders for the "feel" of the house and we want to congratulate you on your efficiency, promptness and on the excellent team of people that help you put this together. It went like clockwork and we certainly appreciated all your efforts to get the job done while we were in San Antonio.*

*It was a pleasure dealing with you and we certainly recommend Westphall Remodeling!*

*Thanks again for a job well done!*
