Dear Brad:

Beth and I wanted to thank you for the work you did for us on the expansion of our garage.

Not only was the work done quicker than we expected, but we found you extremely responsive to all of our needs and requests.

Your dealings with us were nothing but professional, and we very much appreciated how well you kept us informed of the progress every step of the way.

We are pleased with the work, and are proud of our new expansion.

Thank you for all your hard work, and for giving us such a nice new garage. The view from the road is very appealing!

Sincerely,

William J. Ziegler
